

# Respect des normes officielles en vigueur

# Le respect des normes officielles

Normes  
architecturales  
minimales

The diagram consists of two purple arrows pointing in opposite directions, one to the left and one to the right. The left arrow is wider and contains the text 'Normes architecturales minimales'. The right arrow is narrower and contains the text 'Normes d'accessibilité'. The two arrows are connected at their inner ends by a white, curved, ribbon-like shape that suggests a transition or relationship between the two types of standards.

Normes  
d'accessibilité
